# Geography Skills Worksheet 35

## Chapter 35 ♦ Nationalism in Africa and the Middle East

1. What three nations have the highest per capita income? \_\_\_\_\_
2. What nations have per capita incomes of less than \$200 per year? \_\_\_\_\_
3. (a) Of the countries having a per capita income above \$500, how many are along the coast or are islands? (b) How many are landlocked?  
 (a) \_\_\_\_\_ (b) \_\_\_\_\_
4. Write a generalization comparing the prosperity of Africa's landlocked nations with that of nations having access to the sea.  
 \_\_\_\_\_
5. Count the number of countries in each category of per capita income on the map. On a separate sheet of paper, make a bar graph showing how many nations fall into each category.
